Hamblin Joins French Creative **As Web Designer-Developer**

Hayley Hamblin has joined Monroe-based French Creative Group as a website designer-developer and member of its award-winning website development team.

Hamblin has extensive experience in the field and is accomplished in key programming languages such as HTML, CSS, Javascript, PHP and Flash/Actionscript.

She also has strong graphic design skills, having worked many years with a global company producing a wide variety of print ads, packaging and collateral materials.

French Creative Group's website development team has won several national Silver Microphone awards for client website development as well as a regional Addy Best of Show Interactive award for the design and development of the agency's website.

French Creative Group provides local, regional and national clients with advertising, branding, public relations, media services, Web services and social media services, as well as advertising specialties and direct marketing through two wholly owned subsidiaries.
