## **Robley Joins French Creative** **As Production Manager**

Susan Robley has joined French Creative Group, Monroe-based advertising, marketing and public relations firm, as production manager.

Robley has worked in a variety of fields such as manufacturing, civil engineering, insurance, interior design and advertising in positions as varied as customer service, purchasing and accounting functions, and production and traffic manager. She is a native of Nebraska and attended the University of Nebraska.

French Creative Group provides local, regional and national clients with advertising, branding, public relations, media services, Web services and social media services, as well as advertising specialties and direct marketing through two wholly owned subsidiaries.
